

SECURI-WALL

A GUIDE FOR SAFER LIVING. PROTECT WHAT MATTERS.

GUIDE: VERSATILE APPLICATIONS OF SECURI-WALL

Security Walling Applications:

- **Residential Security:**

- Erect SECURI-WALL for enhanced perimeter security.
- Top with anti-climb features and integrate access control systems for added protection.
- Customise with decorative finishes for aesthetic appeal.

- **Commercial Security:**

- Implement around commercial properties.
- Integrate access control systems on columns.
- Blend security with professional aesthetics.

SECURI-WALL Units:

- **Storage Solutions:**

- Add a mezzanine level for increased storage.
- Utilise for high-value item storage.
- Incorporate shelving and organisation systems.

- **Mini Factories:**

- Build mezzanine floors for mini factories.
- Install utilities through integrated conduits.
- Create an efficient and secure workspace.

SECURI-WALL Units - General Storage:

- **Versatile Storage:**

- Adapt the system for general storage needs.
- Optimise space with mezzanine levels.
- Implement durable and secure storage solutions.

- **Outdoor Storage:**

- Protect outdoor items with weather-resistant walls.
- Customise for various storage requirements.
- Enhance security for outdoor assets.
